TRUSTEES' REPORT
FOR THE YEAR ENDED 31 AUGUST 2020

The Trustees present their annual report together with the financial statements and auditors' report of the charitable company for the year 1 September 2019 to 31 August 2020. The annual report serves the purposes of both a Trustees' report and a directors' report under company law.

The trust operates an academy for pupils aged 3 to 11 serving a catchment area in north Worksop. It has a pupil capacity of 575 and had a roll of 550 in the school census on 1 October 2019.

Structure, governance and management

Constitution

The academy is a charitable company limited by guarantee and an exempt charity.

The charitable company's Memorandum of Association is the primary governing document of the academy.

The Trustees of Sparken Hill Academy Trust are also the directors of the charitable company for the purposes of company law.

The charitable company is known as Sparken Hill Academy Trust.

Details of the Trustees who served during the year year, and to the date these accounts are approved are included in the Reference and administrative details on page 1.

Members' liability

Each member of the charitable company undertakes to contribute to the assets of the charitable company in the event of it being wound up while they are a member, or within one year after they cease to be a member, such amount as may be required, not exceeding £10, for the debts and liabilities contracted before they ceased to be a member.

Trustees' indemnities

Sparken Hill Academy Trust has procured indemnity insurance from the Department for Education (DfE) under the Risk Protection Arrangement (RPA) to cover the liability of trustees which by virtue of any rule of law would otherwise attach to them in respect of any negligence, default or breach of trust or breach of duty of which they may be guilty in relation to the Academy Trust: provided that any such insurance shall not extend to (i) any claim arising from any act or omission which the Governors knew to be a breach of trust or breach of duty or which was committed by the Governors in reckless disregard to whether it was a breach of trust or breach of duty or not; and (ii) the costs of any unsuccessful defence to a criminal prosecution brought against the Governors in their capacity as directors of the Academy Trust. Further, this Article does not authorise a Governor to benefit from any indemnity insurance that would be rendered void by any provision of the Companies Act 2006, the Charities Act 2011 or any other provision of law.

The insurance provides cover up to £10,000,000 each and every loss.

TRUSTEES' REPORT (CONTINUED)
FOR THE YEAR ENDED 31 AUGUST 2020

Structure, governance and management (continued)

Method of recruitment and appointment or election of Trustees

The number of Governors shall be not less than three but (unless otherwise determined by ordinary resolution) shall not be subject to any maximum.

The members may appoint up to 1 governor, the Governing body may appoint staff Governors through such process as they determine. The total number of Governors (including the Principal) who are employees of the Academy Trust shall not exceed one third of the total number of governors.

Parent Governors shall be elected by parents of registered pupils at the Academy. A Parent Governor must be a parent of a pupil at the Academy at the time when he is elected.

The Governing Body shall make all necessary arrangements for, and determine all other matters relating to, an election of Parent Governors, including any question of whether a person is a parent of a registered pupil at the Academy. Any election of Parent Governors which is contested shall be held by secret ballot.

The arrangements made for the election of a Parent Governor shall provide for every person who is entitled to vote in the election to have an opportunity to do so by post or, if he prefers, by having his ballot paper returned to the Academy Trust by a registered pupil at the Academy.

Where a vacancy for a Parent Governor is required to be filled by election, the Governing Body shall take such steps as are reasonably practical to secure that every person who is known to them to be a parent of a registered pupil at the Academy is informed of the vacancy and that it is required to be filled by election, informed that he is entitled to stand as a candidate, and vote at the election, and given an opportunity to do so.

The number of Parent Governors required shall be made up by Parent Governors appointed by the Governing Body if the number of parents standing for election is less than the number of vacancies.

In appointing a Parent Governor the Governing Body shall appoint a person who is the parent of a registered pupil at the Academy; or where it is not reasonably practical to do so, a person who is the parent of a child of compulsory school age.

The Community Governors may be appointed by the Governing Body provided that the person who is appointed as a Community Governor is: a person who lives or works in the community served by the Academy; or a person who, in the opinion of the Governing Body is committed to the government and success of the Academy

The Governors may not appoint an employee of the Academy Trust as a Community Governor if the number of Governors who are employed by the Academy Trust (including the Principal) would thereby exceed one third of the total number of Governors.

The Partnership Governors may be appointed by the Governing Body. The Governors may not appoint an employee of the Academy Trust as a Partnership Governor if the number of Governors who are employed by the Academy Trust (including the Principal) would thereby exceed one third of the total number of Governors.

The Governors may appoint up to 3 Co-opted Governors. A 'Co-opted Governor' means a person who is appointed to be a Governor by being Co-opted by Governors who have not themselves been so appointed. The Governors may not co-opt an employee of the Academy Trust as a Co-opted Governor if thereby the number of Governors who are employees of the Academy Trust would exceed one third of the total number of Governors (including the Principal).

Structure, governance and management (continued)

Organisational structure

The Academy has defined the responsibilities of each person involved in the administration of the Academy's finances to avoid duplication or omission of functions and to provide a framework of accountability for Governors & Staff. The financial reporting structure is as illustrated below.

The Board has overall responsibility and ultimate decision making authority for all the work of the Trust, including business planning and monitoring of budgets. The main responsibilities for the Board are prescribed in the funding agreement between the academy and the ESFA and in the Academy's scheme of government.

Accounting Officer

The Principal has a role, under trustees guidance, the trusts overall a management and staffing, however, their appointment as Accounting Officer confers specific responsibilities for financial matters. The accounting Officer is personally responsible to Parliament and to the accounting officer for the ESFA, for the resources under their control, and must be able to assure Parliament and the public of high standards of probity in the management of public funds.

Board of Trustees

The board of trustees will maintain a role in determining the educational and financial priorities of the academy, ensuring that the financial resources delegated to it are used effectively and that adequate controls are maintained over these.

Finance Committee

In order to assist the board of trustees, the responsibilities (as agreed in the School Trustees Decision Planner) have been delegated to the Finance Committee.

Principal

To ensure that the sound systems of internal control are in place and are implemented. To ensure that the financial administration of the academy operates in accordance with the Finance Policy. In the absence of the Principal, responsibilities outlined below will be delegated to the Vice Principal.

Chief Financial Officer / Academy Business Manager

The Accounting Officer is accountable for the trusts financial affairs, but the delivery of the detailed accounting processes will be delegated to the Chief Financial Officer/Academy Business Manager. The Chief Financial Officer will work closely with the Principal to ensure that the sound systems of internal control are in place and are implemented. To ensure that the day today financial administration of the Trust and each Academy operates in accordance with the trust Finance Policy.

Finance/Administration Team

To implement the finance policy and procedures agreed by the trust and to process financial transactions and activities in line with these. To maintain the academy's accounting system and to monitor the budget on a day to day basis. To work closely with the Chief Financial Officer and provide reports as required.

Arrangements for setting pay and remuneration of key management personnel

Principal Pay Progression

At the end of the annual appraisal period the initial assessment of appraisal outcomes for the Principal will be made by an identified group of three Appraisal trustees advised as appropriate by the appointed external adviser and will contain a recommendation on pay progression.

Final decisions about whether or not to ratify a pay progression recommendation will be made by the Finance and Personnel Committee of the Trustees, having regard to the appraisal report, assessment against the relevant Leadership and Teachers' Standards, advice provided by the external adviser and relevant benchmarking information. The recommendation for pay progression will be supported by sufficient information to enable the Finance and Personnel Committee to carefully consider the recommendation. The Principal's Appraisal Trustees, supported by the advice/recommendation of the external adviser, will be responsible for advising the appropriate committee of the Trustees on its decisions.

Other Senior Leader Pay Progression

At the end of the appraisal period the Principal will make a written pay recommendation in the teachers' annual appraisal report for consideration by the Finance and Personnel Committee.

The Principal will consider and moderate all assessments and make recommendations for pay progression based on the criteria in paragraph 9.10 (a), (b), (c), (d) and (e) of the Academy's Pay Policy.

Any pay appeal submitted by a Senior Leader will be considered prior to approved by the Finance and Personnel Committee.

Following the Principal's consideration, a report will be presented and considered by the Finance and Personnel Committee who will make a final decision to ratify pay decisions and determine any changes to the pay structure on behalf of the Trustees. The report presented will contain sufficient information to enable the committee to carefully consider the recommendations by the Principal. It will have regard to the appraisal report, assessment against the Teachers' Standards and consideration of pay progression criteria. The Principal supported as appropriate by the senior leadership team will be responsible for advising the Finance and Personnel Committee of the Board of Trustees on its decisions.

Objectives and activities

Objects and aims

The principal object and activity of the charitable company is set out in the Articles of Association. In summary it is to advance for the public benefit education in the United Kingdom, in particular but without prejudice to the generality of the foregoing by establishing, maintaining, carrying on, managing and developing a school offering a broad and balanced curriculum. Also to promote for the benefit of individuals living in Worksop and the surrounding area who have need by reason of their age, infirmity or disability, financial hardship or social and economic circumstances or for the public at large the provision of facilities for recreation or other leisure time activities in the interests of social welfare and with the object of improving the condition of life of the said individuals.

Objectives and activities (continued)

Objectives, strategies and activities

The aim of our academy is for all children to achieve the highest standards of attainment within the school's ethos of a total commitment to the practice and principles of equal opportunities.

Children and adults of Sparken Hill Academy have equal access to every aspect of school life regardless of race, gender, sexual orientation, transgender, religion, ability or special need.

Every person is valued and discrimination is challenged. The academy remains committed to the "Every Child Matters" framework and works within the Extended School's ethos.

At Sparken Hill Academy, we aim to support our learners to:

1. Become independent learners who enjoy school and achieve their potential.
2. Become confident in basic skills to promote their future economic wellbeing.
3. Grow into confident and responsible children who make a positive contribution to the school and community.
4. Make sensible choices leading to a healthy lifestyle.
5. Learn how to stay safe.

Sparken Hill Academy aspires to:

1. Develop appropriate skills for a rapidly changing and increasingly technological world.
2. Listen to children's views and encourage them to take responsibility.
3. Extend learning beyond the classroom and out of school hours.
4. Give everyone the opportunity to succeed.
5. Involve parents in the education of their children.
6. Develop close links with our community and beyond.

Public benefit

In setting objectives and planning for activities, the Trustees have given due consideration to general guidance published by the Charity Commission relating to public benefit, including the guidance 'Public benefit: running a charity (PB2)'.

Achievements and performance

Key performance indicators

Due to the implications of Covid19, external statutory assessments did not take place therefore data for the last period is unavailable.

However, the Academy continued to operate (with a robust system for ensuring safety and clear control measures / risk assessments) throughout the National Lockdown due to the Coronavirus crisis. Sparken Hill maintained Key Worker provision for pupils at school (up to 40 children) and also acted as a "Hub" for one other local Primary School whilst also being named on the strategic response plans of two further schools.

Our commitment to a wide ranging curriculum was maintained via:

- a) Key Worker pupils undertaking a wide range of activities and maintaining our commitment to world class PE provision. This also included maintaining the care of our various livestock including our sheep, goats, chickens as well as the range of smaller animals.
- b) Our Community Team was instrumental in maintaining regular contact with our 'at-risk' or 'vulnerable' families. This was widely appreciated as it meant that the full impact of lockdown was effectively mitigated by tangible school support.
- c) Pupils who did not qualify for Key Worker places were allocated work packs on a weekly basis. This was augmented by online learning resources (such as LbQ, Accelerated Reader and Abacus Maths) as well as a range of our own website resources. Places in school were also allocated to specific vulnerable pupils.

The Academy has implemented all relevant guidance relating to a wider re-opening of schools in September and consequently, all children have returned to FT education. The full impact assessment of the 'cost' of Covid is due to take place during the Autumn Term 2020. Teacher Assessment Capacity assessments will take place during the first term in order to ascertain the impact of the lock down and a programme of work to remediate any gaps will be implemented. This includes investigating the application of Academic Mentors and implementing the already planned expansion of 1-1 ICT provision for every KS2 child.

Going concern

After making appropriate enquiries, the board of Trustees has a reasonable expectation that the academy has adequate resources to continue in operational existence for the foreseeable future. For this reason they continue to adopt the going concern basis in preparing the financial statements. Further details regarding the adoption of the going concern basis can be found in the accounting policies.

TRUSTEES' REPORT (CONTINUED)
FOR THE YEAR ENDED 31 AUGUST 2020

Reserves policy

The Academy Directors/Trustees consider the level of reserves the academy holds. Levels of reserves which are too high tie up money which should be spent on current academy activities. Levels of reserves which are too low may put the future activities of the academy at risk.

The academy's reserves policy:

- Assists in strategic planning by considering how new projects or activities will be funded.
- Informs the budget process by considering whether reserves need to be used during the financial year or built up for future projects.
- Informs the budget and risk management process by identifying any uncertainty in future income streams.

During the financial year the trustees identify:

- When reserves are drawn on, so that they understand the reasons for this and can consider what corrective action, if any, needs to be taken.
- When reserve levels rise significantly above target so that they understand the reasons and can consider the corrective action, if any that needs to be taken.
- Where the reserves level is below target, and considers whether this is due to short-term circumstance or longer term reasons which might trigger a broader review of finances and reserves.

Development of the academy's reserves policy

When considering an appropriate level of reserves, the trustees consider:

- The risk of unforeseen emergency or other unexpected need for funds.
- Covering unforeseen day-to-day operational costs, for example employing temporary staff to cover a long-term sick absence.
- A fall in a source of income, such as lettings.
- Planned commitments, or designations, that cannot be met by future income alone, for example plans for a major capital project.
- The need to fund potential deficits in a cash budget, for example money may need to be spent before a funding grant is received.
- The financial risks identified determine the amount of reserves the academy targets to hold.

In-year reports to trustees:

- Compare the amount of reserves held with the target amount or target range set for reserves.
- Explain any shortfall or excess in reserves against target set.
- Explain any action being taken or planned to bring reserves into line with target.

Investment policy

The purpose of this policy is to ensure that any surplus funds are invested well so that they achieve the best financial returns with the minimum risk. Good financial returns mean that more money can be spent on educating pupils.

Adequate cash balances must be maintained to ensure that there are always sufficient funds in the schools current account to cover financial commitments such as payroll and day to day expenses. If there is a surplus of funds after all financial commitments have been considered, this surplus can be invested.

Funds should be invested in tranches of up to £25,000. It may be beneficial to invest each tranche with a different financial institution. Funds, and any interest they earn, will be automatically be reinvested, unless they are required for immediate or anticipated expenditure

TRUSTEES' REPORT (CONTINUED)
FOR THE YEAR ENDED 31 AUGUST 2020

Principal risks and uncertainties

A risk register has been compiled and identifies the main risks that the academy is exposed to. For each of these risks the impact & seriousness have been considered together with appropriate action and management plans. The risk register will undergo a full review annually although monitored regularly to avoid further or unknown risks.

Financial risks are considered as part of this process, the academy is largely reliant on continued government funding through the Education Funding Agency (ESFA) and also the Local Authority (LA). The grant issued from the ESFA is received monthly in advance, cash flow monitoring is undertaken to ensure sufficient funds are available to maintain staffing, resources and compliance.

Due to the unprecedented times during this year it has been necessary for Sparken Hill Academy Trust to use an element of funding for the purpose of minimising risks due to Covid 19, therefore increasing its financial commitment to Health & safety items such as, hand sanitizer, screens/barriers, thermometers, lidded bins, Covid 19 signage etc, of approximately £7,000

It was also necessary to support statutory Free School Meals (FSM) children during holiday periods throughout the pandemic; this required a commitment of £48,000 from the academy budget.

A claim has been submitted to the ESFA under the Exceptional Costs claim, of which the outcome is to be confirmed in the autumn term of 2020/21, an opportunity to make a further claim is also advised by the ESFA, this will be in the coming year.

The academy encountered a shortfall in self-generated funds due to Covid 19, this was due to external lettings of the premises not being able to take place and limited fundraising events.

Risk Management

Risk management is incorporated within the internal controls of the academy; Measures to control risks are taken at various levels within the academy structure and an integral part of the Management and Senior Leadership responsibility.

A risk management procedure assesses the likelihood of an event happening and assesses the impact of that event on the functioning of the academy if it were to happen.

The academy trust board of trustees has overall responsibility for risk management, risk assessment is included in the remit of the Finance & General Purpose committee and this is formally reviewed and reported to the trustees through the risk register is updated upon identification of any new risks with actions required.

Financial and Risk Management Objectives and Policies

Financial risk management is incorporated in the risk assessment process and included in Sparken Hill Academy Trust risk register, considering income, expenditure and financial control as well as other associated financial risks that come with other operational & reputational risks.

Financial risk management within the academy is directed by policies and guidance approved by the ESFA and board of trustees, this includes the following:

- Academies Financial Handbook
- Finance Policy
- Risk Management Policy inc Risk Register
- Health & Safety Policy
- Academy Emergency Plan
- Data Protection & GDPR

Financial review

The trust held fund balances at 31 August 2020 of £4,923,772, comprising £31,189 of restricted funds, a fixed asset reserve of £8,381,327, a pension reserve deficit of £3,905,000 and £416,256 of unrestricted funds.

Most of the trust's income is obtained from the ESFA in the form of recurrent grants, the use of which is restricted to particular purposes. The grants received from the ESFA during the period ended 31 August 2020 and the associated expenditure are shown as restricted funds (non fixed assets) in the statement of financial activities.

During the period ended 31 August 2020, total restricted revenue expenditure of £2,984,273 was more than recurrent restricted grant funding from the ESFA together with other restricted incoming resources. The excess of expenditure over income for the period was £41,952.

Another key financial performance indicator is staffing costs as a percentage of recurrent income. For 2020 this was 89.9% and this will be monitored in future periods.

The trust's non-teaching staff are entitled to membership of the Local Government Pension Scheme. The Trust's share of the Scheme's assets is currently assessed to be less than its liabilities in the Scheme, and consequently the academy balance sheet shows a net liability of 3,905,000.

TRUSTEES' REPORT (CONTINUED)
FOR THE YEAR ENDED 31 AUGUST 2020

Fundraising

Sparken Hill Academy Trust commit to fundraising events throughout the year. These are for external charities (national and local) as well as internal fundraising events for academy equipment that benefits the students their families and community.

However due to Covid 19 there was limited opportunity to undertake fundraising events during the period of 1 September 2019 to 31 August 2020. It has also been necessary due to Covid 19 control measures for the academy to become cashless wherever possible therefore future fundraising events are likely to be managed differently.

Sparken Hill Academy Trust adheres to the 6 principles of Charity Fundraising published in a guide for trustee duties as listed below:

- Planning Effectively
- Supervising the fundraisers
- Protecting reputation, money and other assets
- Identifying and ensuring compliance with the laws or regulations that apply specifically to the fundraising
- Identifying and following any recognised standards that apply to fundraising
- Being open and accountable

Fundraising events have consisted of non-uniform days, Fayres, Coffee mornings and Sponsored events, the academy monitors the number of fundraising events to ensure stakeholders do not feel under frequent pressure to donate.

SLT discuss strategic fundraising activities across the year in order that charity requests are not overly demanding. Each key stage will nominate their chosen charity for any fundraising they may undertake.

We also agree one charity as a family of local schools to support per year as a collective.

Pupils are not excluded from charity fundraising events if they are unable to contribute.

School council are delegated responsibility with ideas for fundraising events, particularly where the fundraising is directed towards the Academy.

Proposals are agreed /ratified by SLT and where necessary, the Governing Body.

Plans for future periods

As the academy is of a stand-alone status (including foundation status), the board of trustees continue to consider strategic options including the potential benefits of establishing a MAT to expand the trust.

Educational outcomes within the academy have demonstrated significant trends of improvement and we continually aspire to become 'outstanding'. The lack of external statutory assessments in 2020 due to Covid19 means that the value added / historic data trends have been adversely affected. However, internal moderation/ teacher assessments are planned in order to ascertain the impact of this extraordinary year.

Post Ofsted actions include more rigorous monitoring of non-core subjects by middle leaders and reviewing opportunities for independent challenge in KS1. These remain embedded in the current SIP this year. In addition, the Academy will focus on Curriculum developments and monitoring to ensure compliance with the latest Ofsted framework and meet the needs of our children. This now includes significant investment (monetary and time) in 'blended' learning opportunities to mitigate the impact of home learning due to the pandemic.

GOVERNANCE STATEMENT

Scope of responsibility

As Trustees, we acknowledge we have overall responsibility for ensuring that Sparken Hill Academy Trust has an effective and appropriate system of control, financial and otherwise. However, such a system is designed to manage rather than eliminate the risk of failure to achieve business objectives, and can provide only reasonable and not absolute assurance against material misstatement or loss.

As Trustees, we have reviewed and taken account of the guidance in DfE's Governance Handbook and competency framework for governance.

The board of Trustees has delegated the day-to-day responsibility to the Principal, as accounting officer, for ensuring financial controls conform with the requirements of both propriety and good financial management and in accordance with the requirements and responsibilities assigned to it in the funding agreement between Sparken Hill Academy Trust and the Secretary of State for Education. They are also responsible for reporting to the board of Trustees any material weaknesses or breakdowns in internal control.

Governance

The information on governance included here supplements that described in the Trustees' report and in the Statement of Trustees' responsibilities. The board and its committees met 9 times during the year. The full board of Trustees has formally met 3 times during the year with the sub-committees meeting in addition to this to ensure effective oversight of funds. Governors also undertake regular monitoring visits within the academy and meet with key personnel. The business manager shares monthly management accounts with the chair, variance to budgets, income and expenditure are identified and discussed at the meetings.

Attendance during the year at meetings of the board of trustees was as detailed below, due to Covid 19 1 of the meetings was carried out remotely.

As part of governing body effectiveness reviews, an annual skills audit is undertaken by the Principal to the Governing Body. Should there be any significant changes to the governing body, commissioning of an external NCTL will be considered.

In June 2018 all governors were invited to an academy finance refresher training session, delivered by the academies internal auditor, many attended. There was a plan to revisit this training in the autumn term 2020, however this will now be rescheduled with Covid measures allow, and this will also capture any new governors to Sparken Hill Academy.

The Finance and General Purposes Committee is a sub-committee of the main board of Trustees. Its purpose is to monitor, evaluate and review policy and performance in relation to financial management. Due to COVID 19 it was necessary to cancel one of the planned meetings, therefore only four meetings took place during this year.

Attendance during the year at meetings was as follows:

Review of value for money

As accounting officer, the Principal has responsibility for ensuring that the academy delivers good value in the use of public resources. The accounting officer understands that value for money refers to the educational and wider societal outcomes achieved in return for the taxpayer resources received.

The accounting officer considers how the academy's use of its resources has provided good value for money during each academic year, and reports to the board of Trustees where value for money can be improved, including the use of benchmarking data where available. The accounting officer for the academy trust has delivered improved value for money during the year by:

- Ensured that 3 quotes to consider best value re suppliers
- Selective tendering from at least three recognised sources known to be suppliers of goods/service in question
- Open competitive tendering process
- Sourced a skilled consultant to support with a specific tender
- Considered and sought out references from other educational settings regarding the effectiveness of suppliers
- Negotiated specific discount rates for specified suppliers
- Outsourced 'non-LA' service providers based on cost and service provision.

The purpose of the system of internal control

The system of internal control is designed to manage risk to a reasonable level rather than to eliminate all risk of failure to achieve policies, aims and objectives. It can, therefore, only provide reasonable and not absolute assurance of effectiveness. The system of internal control is based on an on-going process designed to identify and prioritise the risks to the achievement of academy policies, aims and objectives, to evaluate the likelihood of those risks being realised and the impact should they be realised, and to manage them efficiently, effectively and economically. The system of internal control has been in place in Sparken Hill Academy Trust for the year 1 September 2019 to 31 August 2020 and up to the date of approval of the annual report and financial statements.

GOVERNANCE STATEMENT (CONTINUED)

Capacity to handle risk

The board of Trustees has reviewed the key risks to which the academy is exposed together with the operating, financial and compliance controls that have been implemented to mitigate those risks. The board of Trustees is of the view that there is a formal ongoing process for identifying, evaluating and managing the academy's significant risks that has been in place for the year 1 September 2019 to 31 August 2020 and up to the date of approval of the annual report and financial statements. This process is regularly reviewed by the board of Trustees.

The risk and control framework

The academy's system of internal financial control is based on a framework of regular management information and administrative procedures including the segregation of duties and a system of delegation and accountability. In particular, it includes:

- comprehensive budgeting and monitoring systems with an annual budget and periodic financial reports which are reviewed and agreed by the board of Trustees
- regular reviews by the Finance and General Purposes Committee of reports which indicate financial performance against the forecasts and of major purchase plans, capital works and expenditure programmes
- setting targets to measure financial and other performance
- clearly defined purchasing (asset purchase or capital investment) guidelines
- identification and management of risks

The Board of Trustees has decided to employ Mrs Vickie Lievesley as internal auditor.

The internal auditor's role includes giving advice on financial matters and performing a range of checks on the academy's financial systems.

On recommendation of the internal auditor, governors reviewed the internal audit framework during this year and approved an audit programme as recommended by the Association of School and College Leaders (ASCL) as the basic framework.

The new framework reviews and reports on various areas over the periods checked (some more than once a year) to give a broad scope to ensure all categories of risk are being scrutinised. The report clearly identified an action plan for any recommendations and allowed the management to comment and note the implementation date.

There were 3 internal audits for 2019-20 and tested the following areas:

Internal Audit Sep19-Dec19 (tested Jan20)

- Audit Framework
- Last Internal Audit Report
- Budget Planning, Monitoring and Reporting
- Financial Oversight
- Governance

On a termly basis, the internal auditor reports to the board of Trustees through the audit committee on the operation of the systems of control and on the discharge of the Trustees' financial responsibilities.

The internal auditor has delivered their schedule of work as planned. Recommendations from the internal auditor are considered and appropriate action is taken in order to ensure financial control and compliance with Academy's financial handbook and the Academy Trusts Internal policies.

Review of effectiveness

As accounting officer, the Principal has responsibility for reviewing the effectiveness of the system of internal control. During the year in question the review has been informed by:

- on discharge of the Board of Trustees financial decisions to help the committee consider actions and assess year on year progress
- the work of the internal auditor;
- the work of the external auditors;
- the work of the executive managers within the academy who have responsibility for the development and maintenance of the internal control framework.

The accounting officer has been advised of the implications of the result of their review of the system of internal control by the audit committee and a plan to address weaknesses and ensure continuous improvement of the system is in place.

STATEMENT ON REGULARITY, PROPRIETY AND COMPLIANCE

As accounting officer of Sparken Hill Academy Trust I have considered my responsibility to notify the academy board of Trustees and the Education & Skills Funding Agency (ESFA) of material irregularity, impropriety and non-compliance with terms and conditions of all funding received by the academy, under the funding agreement in place between the academy and the Secretary of State for Education. As part of my consideration I have had due regard to the requirements of the Academies Financial Handbook 2019.

I confirm that I and the academy board of Trustees are able to identify any material irregular or improper use of all funds by the academy, or material non-compliance with the terms and conditions of funding under the academy's funding agreement and the Academies Financial Handbook 2019.

I confirm that no instances of material irregularity, impropriety or funding non-compliance have been discovered to date. If any instances are identified after the date of this statement, these will be notified to the board of Trustees and ESFA.

STATEMENT OF TRUSTEES' RESPONSIBILITIES
FOR THE YEAR ENDED 31 AUGUST 2020

The Trustees (who are also the directors of the charitable company for the purposes of company law) are responsible for preparing the Trustees' report and the financial statements in accordance with the Academies Accounts Direction published by the Education and Skills Funding Agency, United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice) and applicable law and regulations.

Company law requires the Trustees to prepare financial statements for each financial year. Under company law, the Trustees must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the charitable company and of its incoming resources and application of resources, including its income and expenditure, for that period. In preparing these financial statements, the Trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles of the Charities SORP 2019 and the Academies Accounts Direction 2019 to 2020;
- make judgments and accounting estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charitable company will continue in business.

The Trustees are responsible for keeping adequate accounting records that are sufficient to show and explain the charitable company's transactions and disclose with reasonable accuracy at any time the financial position of the charitable company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charitable company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The Trustees are responsible for ensuring that in its conduct and operation the charitable company applies financial and other controls, which conform with the requirements both of propriety and of good financial management. They are also responsible for ensuring grants received from ESFA/DfE have been applied for the purposes intended.

The Trustees are responsible for the maintenance and integrity of the corporate and financial information included on the charitable company's website. Legislation in the United Kingdom governing the preparation and dissemination of financial statements may differ from legislation in other jurisdictions.

**INDEPENDENT AUDITORS' REPORT ON THE FINANCIAL STATEMENTS TO THE MEMBERS OF
SPARKEN HILL ACADEMY TRUST**

Opinion

We have audited the financial statements of Sparken Hill Academy Trust (the 'academy') for the year ended 31 August 2020 which comprise the Statement of financial activities, the Balance sheet, the Statement of cash flows and the related notes, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law, United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice), including Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland', the Charities SORP 2019 and the Academies Accounts Direction 2019 to 2020 issued by the Education and Skills Funding Agency.

In our opinion the financial statements:

- give a true and fair view of the state of the academy's affairs as at 31 August 2020 and of its incoming resources and application of resources, including its income and expenditure for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Companies Act 2006, the Charities SORP 2019 and the Academies Accounts Direction 2019 to 2020 issued by the Education and Skills Funding Agency.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditors' responsibilities for the audit of the financial statements section of our report. We are independent of the academy in accordance with the ethical requirements that are relevant to our audit of the financial statements in the United Kingdom, including the Financial Reporting Council's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern

We have nothing to report in respect of the following matters in relation to which the ISAs (UK) require us to report to you where:

- the Trustees' use of the going concern basis of accounting in the preparation of the financial statements is not appropriate; or
- the Trustees have not disclosed in the financial statements any identified material uncertainties that may cast significant doubt about the academy's ability to continue to adopt the going concern basis of accounting for a period of at least twelve months from the date when the financial statements are authorised for issue.

**INDEPENDENT AUDITORS' REPORT ON THE FINANCIAL STATEMENTS TO THE MEMBERS OF
SPARKEN HILL ACADEMY TRUST (CONTINUED)**

Other information

The Trustees are responsible for the other information. The other information comprises the information included in the Annual report, other than the financial statements and our Auditors' report thereon. Other information includes the Reference and administrative details, the Trustees' report including the Strategic report, and the Governance statement. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

Opinion on other matters prescribed by the Companies Act 2006

In our opinion, based on the work undertaken in the course of the audit:

- the information given in the Trustees' report for the financial year for which the financial statements are prepared is consistent with the financial statements.
- the Trustees' report has been prepared in accordance with applicable legal requirements.

Matters on which we are required to report by exception

In the light of our knowledge and understanding of the academy and its environment obtained in the course of the audit, we have not identified material misstatements in the Trustees' report.

We have nothing to report in respect of the following matters in relation to which the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of Trustees' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit.

**INDEPENDENT AUDITORS' REPORT ON THE FINANCIAL STATEMENTS TO THE MEMBERS OF
SPARKEN HILL ACADEMY TRUST (CONTINUED)**

Responsibilities of trustees

As explained more fully in the Trustees' responsibilities statement, the Trustees (who are also the directors of the academy for the purposes of company law) are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the Trustees determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Trustees are responsible for assessing the academy's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Trustees either intend to liquidate the academy or to cease operations, or have no realistic alternative but to do so.

Auditors' responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an Auditors' report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at: www.frc.org.uk/auditorsresponsibilities. This description forms part of our Auditors' report.

Use of our report

This report is made solely to the academy's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the academy's members those matters we are required to state to them in an Auditors' report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the academy and its members, as a body, for our audit work, for this report, or for the opinions we have formed.

INDEPENDENT REPORTING ACCOUNTANT'S ASSURANCE REPORT ON REGULARITY TO SPARKEN HILL ACADEMY TRUST AND THE EDUCATION AND SKILLS FUNDING AGENCY

In accordance with the terms of our engagement letter dated 21 March 2019 and further to the requirements of the Education and Skills Funding Agency (ESFA) as included in the Academies Accounts Direction 2019 to 2020, we have carried out an engagement to obtain limited assurance about whether the expenditure disbursed and income received by Sparken Hill Academy Trust during the year 1 September 2019 to 31 August 2020 have been applied to the purposes identified by Parliament and the financial transactions conform to the authorities which govern them.

This report is made solely to Sparken Hill Academy Trust and ESFA in accordance with the terms of our engagement letter. Our work has been undertaken so that we might state to Sparken Hill Academy Trust and ESFA those matters we are required to state in a report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than Sparken Hill Academy Trust and ESFA, for our work, for this report, or for the conclusion we have formed.

Respective responsibilities of Sparken Hill Academy Trust's accounting officer and the reporting accountant

The accounting officer is responsible, under the requirements of Sparken Hill Academy Trust's funding agreement with the Secretary of State for Education dated 30 October 2014 and the Academies Financial Handbook, extant from 1 September 2019, for ensuring that expenditure disbursed and income received is applied for the purposes intended by Parliament and the financial transactions conform to the authorities which govern them.

Our responsibilities for this engagement are established in the United Kingdom by our profession's ethical guidance and are to obtain limited assurance and report in accordance with our engagement letter and the requirements of the Academies Accounts Direction 2019 to 2020. We report to you whether anything has come to our attention in carrying out our work which suggests that in all material respects, expenditure disbursed and income received during the year 1 September 2019 to 31 August 2020 have not been applied to purposes intended by Parliament or that the financial transactions do not conform to the authorities which govern them.

Approach

We conducted our engagement in accordance with the Academies Accounts Direction 2019 to 2020 issued by ESFA. We performed a limited assurance engagement as defined in our engagement letter.

The objective of a limited assurance engagement is to perform such procedures as to obtain information and explanations in order to provide us with sufficient appropriate evidence to express a negative conclusion on regularity.

A limited assurance engagement is more limited in scope than a reasonable assurance engagement and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in a reasonable assurance engagement. Accordingly, we do not express a positive opinion.

Our engagement includes examination, on a test basis, of evidence relevant to the regularity and propriety of the academy's income and expenditure.

Our audit work involved:

- a review of the Academy systems and controls and confirmation of their operation and effectiveness during the year;
- a detailed review of purchase transactions confirming the purpose, value for money, and that appropriate tendering or quotation procedures had been followed in line with the Trust finance policy;
- and a review of the Internal Audit reports.

**INDEPENDENT REPORTING ACCOUNTANT'S ASSURANCE REPORT ON REGULARITY TO SPARKEN
HILL ACADEMY TRUST AND THE EDUCATION & SKILLS FUNDING AGENCY (CONTINUED)**

Conclusion

In the course of our work, nothing has come to our attention which suggest in all material respects the expenditure disbursed and income received during the year 1 September 2019 to 31 August 2020 has not been applied to purposes intended by Parliament and the financial transactions do not conform to the authorities which govern them.

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 AUGUST 2020

1. Accounting policies

A summary of the principal accounting policies adopted (which have been applied consistently, except where noted), judgments and key sources of estimation uncertainty, is set out below.

1.1 Basis of preparation of financial statements

The financial statements of the academy, which is a public benefit entity under FRS 102, have been prepared under the historic cost convention in accordance with the Financial Reporting Standard Applicable in the UK and Republic of Ireland (FRS 102), the Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (Charities SORP (FRS 102)), the Academies Accounts Direction 2019 to 2020 issued by ESFA, the Charities Act 2011 and the Companies Act 2006.

1.2 Going concern

The Trustees assess whether the use of going concern is appropriate i.e. whether there are any material uncertainties related to events or conditions that may cast significant doubt on the ability of the academy to continue as a going concern. The Trustees make this assessment in respect of a period of at least one year from the date of authorisation for issue of the financial statements and have concluded that the academy has adequate resources to continue in operational existence for the foreseeable future and there are no material uncertainties about the academy's ability to continue as a going concern, thus they continue to adopt the going concern basis of accounting in preparing the financial statements.

SPARKEN HILL ACADEMY TRUST
(A company limited by guarantee)

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 AUGUST 2020

1. Accounting policies (continued)

1.3 Income

All incoming resources are recognised when the academy has entitlement to the funds, the receipt is probable and the amount can be measured reliably.

- **Grants**

Grants are included in the Statement of financial activities on a receivable basis. The balance of income received for specific purposes but not expended during the period is shown in the relevant funds on the Balance sheet. Where income is received in advance of meeting any performance-related conditions there is not unconditional entitlement to the income and its recognition is deferred and included in creditors as deferred income until the performance-related conditions are met. Where entitlement occurs before income is received, the income is accrued.

General Annual Grant is recognised in full in the Statement of financial activities in the year for which it is receivable and any abatement in respect of the year is deducted from income and recognised as a liability.

Capital grants are recognised in full when there is an unconditional entitlement to the grant. Unspent amounts of capital grants are reflected in the Balance sheet in the restricted fixed asset fund. Capital grants are recognised when there is entitlement and are not deferred over the life of the asset on which they are expended.

- **Donations**

Donations are recognised on a receivable basis (where there are no performance-related conditions) where the receipt is probable and the amount can be reliably measured.

- **Other income**

Other income, including the hire of facilities, is recognised in the year it is receivable and to the extent the academy has provided the goods or services.

1.4 Expenditure

Expenditure is recognised once there is a legal or constructive obligation to transfer economic benefit to a third party, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably. Expenditure is classified by activity. The costs of each activity are made up of the total of direct costs and shared costs, including support costs involved in undertaking each activity. Direct costs attributable to a single activity are allocated directly to that activity. Shared costs which contribute to more than one activity and support costs which are not attributable to a single activity are apportioned between those activities on a basis consistent with the use of resources. Central staff costs are allocated on the basis of time spent, and depreciation charges allocated on the portion of the asset's use.

- **Charitable activities**

These are costs incurred on the academy's educational operations, including support costs and costs relating to the governance of the academy apportioned to charitable activities.

All resources expended are inclusive of irrecoverable VAT.

SPARKEN HILL ACADEMY TRUST
(A company limited by guarantee)

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 AUGUST 2020

1. Accounting policies (continued)

1.5 Interest receivable

Interest on funds held on deposit is included when receivable and the amount can be measured reliably by the academy; this is normally upon notification of the interest paid or payable by the institution with whom the funds are deposited.

1.6 Tangible fixed assets

Assets costing £1,000 or more are capitalised as tangible fixed assets and are carried at cost, net of depreciation and any provision for impairment.

Where tangible fixed assets have been acquired with the aid of specific grants, either from the government or from the private sector, they are included in the Balance sheet at cost and depreciated over their expected useful economic life. Where there are specific conditions attached to the funding requiring the continued use of the asset, the related grants are credited to a restricted fixed asset fund in the Statement of financial activities and carried forward in the Balance sheet. Depreciation on the relevant assets is charged directly to the restricted fixed asset fund in the Statement of financial activities. Where tangible fixed assets have been acquired with unrestricted funds, depreciation on such assets is charged to the unrestricted fund.

Depreciation is provided on all tangible fixed assets other than freehold land and assets under construction, at rates calculated to write off the cost of each asset on a straight-line basis over its expected useful life, as follows:

Depreciation is provided on the following bases:

Freehold property	- 2% straight line (buildings only)
Furniture and equipment	- 20% straight line
Computer equipment	- 33% straight line
Motor vehicles	- 20% straight line

A review for impairment of a fixed asset is carried out if events or changes in circumstances indicate that the carrying value of any fixed asset may not be recoverable. Shortfalls between the carrying value of fixed assets and their recoverable amounts are recognised as impairments. Impairment losses are recognised in the Statement of financial activities.

1.7 Stocks

Stocks are valued at the lower of cost and net realisable value after making due allowance for obsolete and slow-moving stocks. Cost includes all direct costs and an appropriate proportion of fixed and variable overheads.

1.8 Debtors

Trade and other debtors are recognised at the settlement amount after any trade discount offered. Prepayments are valued at the amount prepaid net of any trade discounts due.

SPARKEN HILL ACADEMY TRUST
(A company limited by guarantee)

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 AUGUST 2020

1. Accounting policies (continued)

1.9 Cash at bank and in hand

Cash at bank and in hand includes cash and short-term highly liquid investments with a short maturity of three months or less from the date of acquisition or opening of the deposit or similar account.

1.10 Liabilities

Liabilities are recognised when there is an obligation at the Balance sheet date as a result of a past event, it is probable that a transfer of economic benefit will be required in settlement, and the amount of the settlement can be estimated reliably. Liabilities are recognised at the amount that the academy anticipates it will pay to settle the debt or the amount it has received as advanced payments for the goods or services it must provide.

1.11 Financial instruments

The academy only holds basic financial instruments as defined in FRS 102. The financial assets and financial liabilities of the academy and their measurement bases are as follows:

Financial assets - trade and other debtors are basic financial instruments and are debt instruments measured at amortised cost as detailed in note 15. Prepayments are not financial instruments. Amounts due to the academy's wholly owned subsidiary are held at face value less any impairment. Cash at bank is classified as a basic financial instrument and is measured at face value.

Cash at bank is classified as a basic financial instrument and is measured at face value.

Financial liabilities - trade creditors, accruals and other creditors are financial instruments, and are measured at amortised cost as detailed in note 16. Taxation and social security are not included in the financial instruments disclosure definition. Deferred income is not deemed to be a financial liability, as the cash settlement has already taken place and there is an obligation to deliver services rather than cash or another financial instrument. Amounts due to the academy's wholly owned subsidiary are held at face value less any impairment.

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 AUGUST 2020

1. Accounting policies (continued)

1.12 Pensions

Retirement benefits to employees of the academy are provided by the Teachers' Pension Scheme ("TPS") and the Local Government Pension Scheme ("LGPS"). These are defined benefit schemes.

The TPS is an unfunded scheme and contributions are calculated so as to spread the cost of pensions over employees' working lives with the academy in such a way that the pension cost is a substantially level percentage of current and future pensionable payroll. The contributions are determined by the Government Actuary on the basis of quadrennial valuations using a prospective unit credit method. TPS is an unfunded multi-employer scheme with no underlying assets to assign between employers. Consequently, the TPS is treated as a defined contribution scheme for accounting purposes and the contributions recognised in the period to which they relate.

The LGPS is a funded multi-employer scheme and the assets are held separately from those of the academy in separate trustee administered funds. Pension scheme assets are measured at fair value and liabilities are measured on an actuarial basis using the projected unit credit method and discounted at a rate equivalent to the current rate of return on a high quality corporate bond of equivalent term and currency to the liabilities. The actuarial valuations are obtained at least triennially and are updated at each Balance sheet date. The amounts charged to operating surplus are the current service costs and the costs of scheme introductions, benefit changes, settlements and curtailments. They are included as part of staff costs as incurred. Net interest on the net defined benefit liability/asset is also recognised in the Statement of financial activities and comprises the interest cost on the defined benefit obligation and interest income on the scheme assets, calculated by multiplying the fair value of the scheme assets at the beginning of the period by the rate used to discount the benefit obligations. The difference between the interest income on the scheme assets and the actual return on the scheme assets is recognised in other recognised gains and losses.

Actuarial gains and losses are recognised immediately in other recognised gains and losses.

1.13 Fund accounting

Unrestricted income funds represent those resources which may be used towards meeting any of the charitable objects of the academy at the discretion of the Trustees.

Restricted fixed asset funds are resources which are to be applied to specific capital purposes imposed by the funders where the asset acquired or created is held for a specific purpose.

Restricted general funds comprise all other restricted funds received with restrictions imposed by the funder/donor and include grants from the Department for Education Group.

Investment income, gains and losses are allocated to the appropriate fund.

**NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 AUGUST 2020**

2. Critical accounting estimates and areas of judgment

Estimates and judgments are continually evaluated and are based on historical experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances.

Critical accounting estimates and assumptions:

The academy trust makes estimates and assumptions concerning the future. The resulting accounting estimates and assumptions will, by definition, seldom equal the related actual results. The estimates and assumptions that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year are discussed below.

The present value of the Local Government Pension Scheme defined benefit liability depends on a number of factors that are determined on an actuarial basis using a variety of assumptions. The assumptions used in determining the net cost or income for pensions include the discount rate. Any changes in these assumptions, which are disclosed in note 23, will impact the carrying amount of the pension liability. Furthermore a roll forward approach which projects results from the latest full actuarial valuation performed at 31 March 2016 has been used by the actuary in valuing the pensions liability at 31 August 2020. Any differences between the figures derived from the roll forward approach and a full actuarial valuation would impact on the carrying amount of the pension liability.

The annual depreciation charge for each class of tangible fixed asset is based on an estimate of the useful economic life of the respective assets. This is reviewed periodically by the directors to ensure that they reflect both the external and internal factors.

Critical areas of judgment:

There are no judgements that the trustees have made in the process of applying the entity's accounting policies that have made a significant effect on the amounts recognised in the financial statements.

During the year ended 31 August 2020, travel expenses totalling £26 were reimbursed or paid directly to 1 Trustee (2019 - £307 to 2 Trustees).

12. Trustees' and Officers' insurance

The academy has opted into the Department of Education's risk protection arrangement (RPA), an alternative to insurance where UK government funds cover losses that arise. This scheme protects Trustees and officers from claims arising from negligent acts, errors or omissions occurring whilst on academy business, and provides cover up to £10,000,000. It is not possible to quantify the Trustees and officers indemnity element from the overall cost of the RPA scheme membership.

Total funds	6,342,117	3,031,013	(3,513,358)	-	(936,000)	4,923,772

The specific purposes for which the funds are to be applied are as follows:

Unrestricted funds

Unrestricted funds represent both those resources, as well as funds transferred to the Academy from the Local Authority upon conversion, which may be used towards meeting any of the objects of the Academy at the discretion of the Trustees. These are not currently designated for particular purposes.

Restricted Fixed Asset funds

Transfer from Local Authority on conversion represents the assets transferred to the Academy from the Local Authority upon conversion.

Capital expenditure from GAG represents fixed asset expenditure transferred from other restricted income.

Restricted Revenue funds

General Annual Grant (GAG) is made up of a number of different funding streams, all of which are used to cover the running costs of the Academy.

Other ESFA Grants, other government grants and other restricted funds represent monies received for specific purposes.

Pension Reserve represents the current deficit balance of the Local Government Pension Scheme (LGPS).

Transfers between funds represent the use of recurrent income being used to fund capital expenditure.

Summary

The balance on restricted general funds plus unrestricted general funds at 31 August 2020 results in a net surplus of £447,445.

Under the funding agreement with the Secretary of State, the academy was not subject to a limit on the amount of GAG it could carry forward at 31 August 2020.

23. Pension commitments

The academy's employees belong to two principal pension schemes: the Teachers' Pension Scheme England and Wales (TPS) for academic and related staff; and the Local Government Pension Scheme (LGPS) for non-teaching staff, which is managed by Nottinghamshire County Council. Both are multi-employer defined benefit schemes.

The latest actuarial valuation of the TPS related to the period ended 31 March 2016 and of the LGPS 31 March 2016.

Contributions amounting to £42,499 were payable to the schemes at 31 August 2020 (2019 - £34,455) and are included within creditors.

Teachers' Pension Scheme

The Teachers' Pension Scheme (TPS) is a statutory, contributory, defined benefit scheme, governed by the Teachers' Pension Scheme Regulations 2014. Membership is automatic for full-time teachers in academies. All teachers have the option to opt-out of the TPS following enrolment.

The TPS is an unfunded scheme to which both the member and employer makes contributions, as a percentage of salary - these contributions are credited to the Exchequer. Retirement and other pension benefits are paid by public funds provided by Parliament.

Valuation of the Teachers' Pension Scheme

The Government Actuary, using normal actuarial principles, conducts a formal actuarial review of the TPS in accordance with the Public Service Pensions (Valuations and Employer Cost Cap) Directions 2014 published by HM Treasury every 4 years. The aim of the review is to specify the level of future contributions. Actuarial scheme valuations are dependent on assumptions about the value of future costs, design of benefits and many other factors. The latest actuarial valuation of the TPS was carried out as at 31 March 2016. The valuation report was published by the Department for Education on 5 March 2019. The key elements of the valuation and subsequent consultation are:

- employer contribution rates set at 23.68% of pensionable pay (including a 0.08% administration levy)
- total scheme liabilities (pensions currently in payment and the estimated cost of future benefits) for service to the effective date of £218,100 million and notional assets (estimated future contributions together with the notional investments held at the valuation date) of £196,100 million, giving a notional past service deficit of £22,000 million
- the SCAPE rate, set by HMT, is used to determine the notional investment return. The current SCAPE rate is 2.4% above the rate of CPI, assumed real rate of return is 2.4% in excess of prices and 2% in excess of earnings. The rate of real earnings growth is assumed to be 2.2%. The assumed nominal rate of return including earnings growth is 4.45%.

The next valuation result is due to be implemented from 1 April 2023.

The employer's pension costs paid to TPS in the year amounted to £212,665 (2019 - £139,702).

A copy of the valuation report and supporting documentation is on the Teachers' Pensions website (<https://www.teacherspensions.co.uk/news/employers/2019/04/teachers-pensions-valuation-report.aspx>).

Under the definitions set out in FRS 102, the TPS is an unfunded multi-employer pension scheme. The academy has accounted for its contributions to the scheme as if it were a defined contribution scheme. The academy has set out above the information available on the scheme.

Local Government Pension Scheme

The LGPS is a funded defined benefit pension scheme, with the assets held in separate trustee-administered funds. The total contribution made for the year ended 31 August 2020 was £206,000 (2019 - £202,000), of which employer's contributions totalled £158,000 (2019 - £153,000) and employees' contributions totalled £ 48,000 (2019 - £49,000). The agreed contribution rates for future years are 20.8 per cent for employers and various per cent for employees.

As described in note the LGPS obligation relates to the employees of the academy, who were the employees transferred as part of the conversion from the maintained school and new employees who were eligible to, and did, join the Scheme in the year. The obligation in respect of employees who transferred on conversion represents their cumulative service at both the predecessor school and the academy at the balance sheet date.

Parliament has agreed, at the request of the Secretary of State for Education, to a guarantee that, in the event of academy closure, outstanding Local Government Pension Scheme liabilities would be met by the Department for Education. The guarantee came into force on 18 July 2013.

25. Members' liability

Each member of the charitable company undertakes to contribute to the assets of the company in the event of it being wound up while he/she is a member, or within one year after he/she ceases to be a member, such amount as may be required, not exceeding £10 for the debts and liabilities contracted before he/she ceases to be a member.

26. Related party transactions

Owing to the nature of the academy and the composition of the Board of Trustees being drawn from local public and private sector organisations, transactions may take place with organisations in which the trustees have an interest. All transactions involving such organisations are conducted in accordance with the requirements of the Academies Financial Handbook, including notifying the ESFA of all transactions made on or after 1 April 2019 and obtaining their approval where required, and with the academy's financial regulations and normal procurement procedures relating to connected and related party transactions.

ND Services Limited is a business owned by the spouse of the Chief Financial Officer. Transactions during the year amount to £19,117 (2019 - £10,912) with no amounts outstanding at the year end. This supplier is used due to their competitive prices for the service provided in local area. A value for money exercise is completed regularly to ensure best value is obtained.

Bassetlaw Primary Behaviour Partnership (BPBP) is a not for profit company in which R Lilley, the Principal, is a member and director. The academy recharge rent to BPBP at market rate, and during the year this amounted to £2,486 (2019 - £2,486) with no amounts outstanding at the year end. All transactions are at arms length.

No other related party transactions took place in the period of account, other than certain trustees' remuneration and expenses already disclosed in note 11.
