Staffing Changes

Dear Parents and Carers,

It is with a little sadness that I need to inform you that we will be bidding farewell to some of our dedicated staff members tomorrow.

Mrs Warsop (TA) has been a well-loved, utterly amazing teaching assistant for nearly 10 years. Mrs Warsop has supported pupils throughout school and has moved recently to support Year 3/4. She has been successful in obtaining an exciting new position at North Notts College. She will be very much missed as part of our school team.

"Farmer" Adele (Cleaner in charge & Farmer!) Ms Needham (aka Farmer Adele to the children) has been successful in being promoted to Site Manager at another local school and although doing BOTH roles for a while now, has made the decision to concentrate on her new role. In addition to her cleaning role in school, she has been instrumental in looking after our menagerie of animals for the past few years and is a firm favourite with our children when she takes them to visit the animals!

Both members of staff have been an integral part of our school family, and their contributions have positively impacted the lives of countless pupils. We are sad to see them go, but we also wish them the very best in their future endeavours. We look forward to hearing of how they are progressing in their new ventures and hope they will come back to visit us to share their news and achievements.

Kind regards,

Mr R Lilley

Principal
