

SPARKEN HILL
ACADEMY

Intent

At Sparken Hill Academy, Physical Education is an integral part of our curriculum and we strive to create a culture which aims to inspire an active generation to enjoy PE, encourage each other and achieve. We provide a safe and supportive environment for children to flourish in a range of different physical activities which is essential in supporting their physical, emotional, social and personal development. We aspire for children to adopt a positive mind-set and believe that anything can be achieved with determination and resilience.

At Sparken Hill we offer a dynamic and varied program of activity to ensure that all children progress physically through a unique and fully inclusive PE curriculum. Our curriculum aims to improve the well-being and fitness of all children, not only through the sporting skills taught, but through the underpinning school games values and disciplines PE promotes. We aim to deliver high quality teaching and learning opportunities that enable all children to achieve their personal best.

All children participate in competitive sport which can be against self and/or others. We encourage children to transfer the school values to sporting and physical activity, ensuring that they aim to be the very best that they can be. We aim for all children to be physically active for sustained periods of time and to be able to make informed decisions to lead healthy and active lives. Thus, embedding life-long values. Swimming is an important life skill and we aspire for all children to leave primary school having met at least the minimum requirements of the National Curriculum.
