

SPARKEN HILL
ACADEMY

Impact

At Sparken Hill Academy, we ensure that our PE curriculum is progressive and allows children to develop fundamental skills and apply them to a variety of sports and activities.

All children are provided with the necessary skills and given opportunities to demonstrate improvement to achieve their personal best. Our pupils are physically active, and this has a positive impact on their behaviour around school and learning in the classroom.

Children understand how to lead a healthy lifestyle and understand the importance of regular exercise. We aspire for children to enjoy PE and develop a love of sport and physical activity which becomes part of their future life outside of primary school.

Children can represent the school at sporting events from local to county level. Alongside this, we share sporting achievements both in and out of school in assemblies, newsletters and through social media so that we are promoting sports and activities, as well as celebrating all levels of success.

Pupils are given the opportunity to develop their Leadership skills within lessons and for some pupils they are able to become role models and ambassador around school.

At Sparken Hill we strive to achieve both the Youth Sports Trust and School Games Gold Kite marks. These kite marks help showcase the impact PE, Sport, Health and Well-Being has on our pupils but also ensures we continue to develop through action planning.
